RE: FOIA Request for Review – 2019 PAC 60155: **INCOMPLETE**

Dear Ms. Garcia:

The Public Access Bureau has received your correspondence asking us to review the denial of your Freedom of Information Act (FOIA) request to the Chicago Police Department (CPD). Under section 9.5(a) of FOIA¹ a Request for Review must be made in writing and signed by the requester. The request must also include both:

- 1) a copy of the FOIA request that you submitted to the public body; and
- 2) any response(s) that you received from the public body.

Your correspondence did not include a signed Request for Review. Please send us the missing information as soon as possible.

Section 9.5(a) of FOIA further provides that a request for review must be filed with the Public Access Counselor "not later than 60 days after the date of the final denial" of a FOIA request, or within 60 days from the date in which the public body should have responded. If we do not receive this additional information by November 5, 2019, we will not have authority to review this matter and this incomplete file will be closed without further action or notification to you.
